

In the Specification:

Please insert on page 6, between lines 6 and 7, the following paragraph:

-- Fig. 8 is a simplified diagram illustrating the connections of the receive and transmit circuitry to the receive and transmit antennas. --

Please insert on page 24, between lines 8 and 9, the following paragraphs:

Reference is now made to Fig. 8, which is a simplified diagram illustrating connections between receive and transmit circuitry and receive and transmit antennas.

In Fig. 8, linear 50 and polar 55 antenna elements are connected via amplifiers 60 and 70 and band pass filters 65 to transmit 80 and receive circuitry. --
